CORPS OF ENGINEERS
LOUISIANA RECOVERY FIELD OFFICE
1200 S. CLEARVIEW SUITE 1180
NEW ORLEANS, LA 70123

Subject: Letter of appreciation for Edmond Pepper, Pepper & Associates, Inc (Jefferson Parish Engineering and Demolition Mitigation Consultants)

Sir,

I would like to officially express my gratitude and admiration for your leadership and expediency of action in providing the Corps of Engineers with logistical and operational support involved with the demolition process in the Parish of Jefferson. In these extraordinary times it takes people of creativity and decisiveness to accomplish a mission, and by your actions you have shown yourself to be that kind of person. With your help the "cradle to grave" time frame of a demolition in Jefferson Parish could be measured in days and weeks, rather than in months as in other mission assigned areas. As I leave for my next assignment I feel confident that with leaders like you the Corps of Engineers and the Parish of Jefferson will have little difficulty in continuing to succeed in the recovery mission. May God bless you, and may God continue to bless the United States of America.

Very Respectfully,
Wesley Todd
